

# Water Level 25 Pro

Long Distance  
Electronic Water Level

## Electronic Water Level with 25 Foot Hose

The Water Level 25 Pro electronic water level allows one-person to quickly and easily locate a precise level over long distances to install decks, fences, chair rails, drop ceilings, and more.

The kit includes an adjustable mounting bracket for easy height adjustment, a 25 ft hose, a tube-cleaning brush, a filler nozzle, and a hose adapter to connect an additional hose and extend the leveling distance.

- One person operation to accurately level around corners and out of sight of the electronic control unit
- Consistent, high degree of accuracy regardless of distance from electronic unit
- Loud (95 dB) continuous signal indicates level, even at long distances
- Loud pulsed tone sounds when above level
- Battery save feature blinks and beeps to remind users tool is on
- Additional hose sold separately

## Specifications

**Dimensions** **Unit:** 6.35 in. x 3.67 in. x 1.37 in.  
161 mm x 93 mm x 35 mm  
**Hose:** 3/16 in. (8 mm) interior diameter,  
25 ft (7.6 m) length.

**NOTE:** Hose extension kit available

**Weight** 1.12 lb (502.5 g) with hose

**Battery Type** 9V alkaline battery required, not included

**Position Accuracy** Typically within 1/16 in. (2 mm)

**Operating Temperature** 20° to 105°F (-7° to 41°C)

**Storage Temperature** -20° to 105°F (-29° to 66°C)

**Humidity** 5-90% (non-condensing)

**Water Resistance** Splash and water resistant, not waterproof

**\*NOTE: USE ONLY IN ACCORDANCE WITH  
WATER LEVEL 25 PRO INSTRUCTIONS.**
